# My health plan

Do you have long term health problems?

## Working in partnership

Guy's and St Thomas'   
NHS Foundation Trust

King's College Hospital   
NHS Foundation Trust

This guide has been produced with the help of local people and GP practices.

Use this guide to help you get the most out of your appointment by:

- being prepared
- writing your questions/concerns down in advance
- thinking about what health goal is achievable for you.

## You may want to think about:

- What am I doing now to take care of my health?
- What's going well?
- What's not going so well?
- What are my test results and what do they mean?
- What is my risk of problems arising from my condition and how can I reduce the risk?

What would you like to discuss with your health professional today?
